

TOUGHNESS ADVANCED FORMULA

Toughness Advanced Formula is an ideal general purpose cleaner. Extremely effective in cleaning stainless steel, aluminum, glass, concrete, plastic and painted surfaces. Highly versatile and effective for cleaning equipment, cars, trucks, buses, trailers, tractors, buildings and much more. This highly concentrated detergent tackles built up oil and grease yet is gentle enough for fine finishes found on cars and in general cleaning. Works well in cold water and even better in with hot water. Toughness Advanced Formula is also perfect for use as a pre-soak or pre-spray in more challenging situations.

DILUTION RATIO

Use dilution needed to achieve optimal cleaning will vary based on soil type, level of soil, and method of application. Water quality can also impact the amount of detergent required. Using hot water allows for a reduced level of detergent use.

- Light Soil 1:100 to 1:150
- Moderate Soil 1:50 to 1:100
- Heavy Soil 1:25 to 1:50

COMPETITIVELY PRICED

- Excellent value, cost per gallon
- A little goes a long way

SHELF LIFE

- 3 years
- Freeze-thaw stable

HIGH-QUALITY

- Designed for high temperature cleaning
- Formulated specifically for pressure washer use

EXCELLENT SERVICE

- Service Centers Across North America
- Expert chemist support

SCALE AND CORROSION PROTECTION (SCP)

- Helps prevent hard water and build-up
- Contains rust and corrosion inhibitors

SHIPPING

- Non-Hazardous / Unregulated

Product Information

RECOMMENDED USES

INDUSTRIES

- Construction
- Mining
- Transportation
- Farming

FACILITIES

- Buildings
- Floors
- Walls
- Concrete

HEAVY EQUIPMENT

- Cars
- Trucks
- Buses
- Trailers

SURFACES

- Stainless Steel
- Aluminum
- Glass
- Concrete
- Plastic
- Fiberglass
- Painted Surfaces

GREASE & OIL

- General degreasing and cleaning

Safety & Certifications

OSHA/WHMIS/ GHS Compliant

Infotrac Listed

Biodegradable

Kosher Certified

OSHA/WHMIS/GHS-Compliant SDS available, listed with Infotrac.
For emergency spills call 1-800-535-5053, International 1-352-323-3500.

Technical Data

Color: Red-Orange

Scent: No Added Fragrance

Foaming Action: High

Reaction in Hard Water: Very Good

pH: 12.1

CARB VOC: 0%
