KÄRCHER

makes a difference

EXPAND YOUR CLEANING HORIZONS.

This wide-area vacuum provides the productivity you need for medium-sized areas.

NORTHSTAR CLEAN CONCEPTS

PROFESSIONAL | CV 66/2

Expand your cleaning horizons with a wide-area vacuum.

If you need to vacuum medium-sized areas, this is the vacuum for the job. The wide 26-inch vacuum path makes quick work of any area while still being small enough and maneuverable enough to fit in tighter areas. Optional accessory tools allow for detail work, preventing the operator from having to return to the storage closet for a different machine.

1 Vacuum performance

- Dual counter-rotating brushes agitate, lift and clean both sides of the carpet nap removing 50% more soil in one pass
- Two proprietary designed 1.1 hp vacuum motors deliver higher air flow for deep carpet cleaning
- Productivity of 9,300 ft²/hr, perfect for large areas

2 Ease of operation

- Extra-large 10-inch non-marking rear wheels and two large three-inch front casters deliver superior maneuverability reducing operator fatigue
- Multiple position soft grip handle is ergonomically designed to reduce skeletal and muscular strain of the operator
- Easy-to-access accessory tool suction port
- No-slip cord wrap design
- Floating brush deck maintains constant contact with carpet surface and requires no operator adjustments

3 Thoughtful design

- Handle folds over bag housing for compact storage
- Optional accessory tools available
- Easy bag removal
- 98% filtration bag improves air quality

Technical data and equipment.
