Hotsy Tubmate Torque soft metal powder is a heavy duty parts washer detergent specially formulated for use on softer materials such as brass, copper, stainless steel and plastics. Higher alkalinity and solvent-based cleaning booster provides effective penetration and removal of difficult oil, grease and carbon-based soils while protecting softer materials.

**Hotsy detergents are available in a variety of sizes.** Ask your dealer about our convenient options and about our bulk supply program, where Hotsy detergents can be supplied on regular basis to meet your needs. The Hotsy bulk detergent program is available at participating dealers.
