

ROADSHOW ADVANCED FORMULA

Roadshow Advanced Formula is unmatched in its ability to totally clean cars, trucks, buses, tractors, trailers, RV's and off-the-road equipment. Roadshow Advanced Formula gives a clean, professionally shined appearance every time. Roadshow Advanced Formula contains a set of ingredients that result in extremely fast and effective removal of grease, oil, dirt, smoke trails and road film. Highly concentrated and excellent on oxidized paint and polished aluminum. Works well in cold water and even better with hot water. May also be used as a pre-soak or pre-spray in more demanding areas.

DILUTION RATIO

Use dilution needed to achieve optimal cleaning will vary based on soil type, level of soil, and method of application. Water quality can also impact the amount of detergent required. Using hot water allows for a reduced level of detergent use.

- Light Soil 1:100 to 1:150
- Moderate Soil 1:50 to 1:100
- Heavy Soil 1:25 to 1:50

COMPETITIVELY PRICED

- Excellent value, cost per gallon
- A little goes a long way

SHELF LIFE

- 3 years
- Freeze-thaw stable

HIGH-QUALITY

- Designed for high temperature cleaning
- Formulated specifically for pressure washer use

EXCELLENT SERVICE

- Service Centers Across North America
- Expert chemist support

SCALE AND CORROSION PROTECTION (SCP)

- Helps prevent hard water and build-up
- Contains rust and corrosion inhibitors

SHIPPING

- Non-Hazardous / Unregulated

RECOMMENDED USES

INDUSTRIES

- Automotive
- Construction
- Mining
- Transportation
- Farming

HEAVY EQUIPMENT

- Cars
- Trucks
- Buses
- Trailers
- Tractors
- Trains

RESIDUES

- Road Film
- Clay/Salts/Dirt
- Bug Residue
- Diesel Smoke
- Oxidized Paint

SURFACES

- Stainless Steel
- Aluminum
- Fiberglass
- Painted and Unpainted Equipment and Surfaces

Safety & Certifications

OSHA/WHMIS/ GHS Compliant

Infotrac Listed

Biodegradable

Kosher Certified

OSHA/WHMIS/GHS-Compliant SDS available, listed with Infotrac.
For emergency spills call 1-800-535-5053, International 1-352-323-3500.

Technical Data

Color: Dark Red

Scent: Fresh Citrus Mint

Foaming Action: High

Reaction in Hard Water: Very Good

pH: 12.1

CARB VOC: 0%
