

PE

Portable, Electric-Powered, Cold Water Pressure Washer

COLD WATER

ELECTRIC

PORTABLE

- Up to 4.8 GPM, 3000 PSI
- Belt-Drive Pump with 7-Year Warranty
- Industrial Strength Motor
- Detergent Injection

- Belt Pulley System with notched V-belts and cast iron pulleys reduce belt slippage and offer longer belt life with cooler operation.
- EASY!Force Trigger Gun with cruise control like technology uses its own recoil force to hold the trigger down - so, no more sore hands after hours of use. Stainless steel, insulated, easy-grip Spray Wand make for easy point-and-shoot cleaning action.
- Helpful Tri-Lingual Labels with operating instructions in English, Spanish and French for added liability protection and operator convenience.
- Many Safety Features, including a thermal pump protector to prevent the buildup of excessive heat and a high-impact belt guard for operator protection.
- Handles on front and back for convenience in vehicle loading and unloading.
- 50 feet of steel-wire braid High Pressure Hose rated for up to 6000 PSI with 24-inch Hose Guard for burst protection and Swivel Crimp Fitting for tangle-free handling of hose and trigger gun.
- Durable pressure-trapping Unloader diverts water flow when trigger gun is not activated.
- Three quick-couple Nozzles are made of hardened stainless steel and color-coded for easy selection of spray pattern: 15°, 25°, 40°
- Easy-to-attach Detergent Injector for easy application of soap.
- Oil-bath, forged brass Belt-Drive Pump has a 7-year limited warranty on oil-end of pump.
- Two spring-loaded Rubber Pad Feet absorb vibration for long life and keep the unit from "walking".
- Water resistant Electrical Box for added safety and easy servicing.
- Rugged 10-gauge steel Chassis is protected with all-weather-resistant epoxy powder coat paint.
- Industrial-duty Baldor Motors, 2 to 10 HP, with full service factor provide unsurpassed reliability.
- Four-ply, 13-inch tubed Pneumatic Tires make for easy maneuvering in any terrain (PE3-11024D uses 10-inch tires).

WHY CHOOSE THE PE?

The PE is the beefiest unit of our belt-drive, cold water pressure washer line offering ten models with cleaning power of up to 3000 PSI. Only the highest quality components are used on the PE, including our tri-plex high-pressure pump with 7-year warranty, industrial-duty Baldor motor, durable steel frame with welded seams, and a stainless steel point-and-shoot wand for cleaning effectiveness. In addition to being certified to the rigid UL-1776 safety standards, the PE has a 24-inch hose guard for burst protection and tri-lingual operating instructions for owner liability assurance. There are a number of features that make the PE especially popular with users who seek to reduce their cleaning time. For instance, handles on both front and back for easy vehicle loading. The two leak-free, tubed pneumatic tires make for easy maneuvering in any terrain, and there are two shock absorbing, spring-loaded rubber feet to keep the PE from "walking" while in operation.

* PE2A-15024D comes equipped with Auto Start/Stop, two yellow nozzles, two green nozzles, and a variable pressure wand. Contact your local dealer for more details.

SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

If you're cleaning long hours at a time, the EASY!Force trigger gun is an ideal and innovative solution to alleviate user fatigue. It's designed to use its own recoil force to hold the trigger down, which means you won't have sore hands after hours of use.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect the high-pressure hose from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.

DETERGENT FOR EVERY JOB

Landa innovative detergent lineup makes your cleaning job easier and faster. Phosphate-free to meet the most stringent environmental demands without sacrificing cleaning effectiveness. We'll match you with a product designed for your specific application.
