

KÄRCHER

THE EFFICIENT WAY TO CLEAN CARPET.

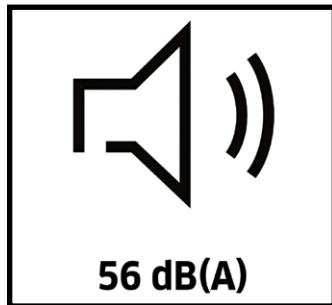

Long run time and interchangeable battery
designed for excellent results.

PROFESSIONAL | CVS 65/1

THE CARPET SPECIALIST FOR DIFFERENT CARPET STYLES.

In just one round of vacuuming, our battery-powered CVS 65/1 Bp Pack carpet sweeper shows its strengths, impressing users with cleaning results comparable to those of an upright brush-type vacuum cleaner. The powerful 36V lithium-ion battery allows up to 60 minutes of continuous operation and cleaning of around 19,375 square feet of carpet on a single charge. The efficient, two-step filter system comprising of a prefilter and a PTFE-coated flat pleated filter for dust classes L and M ensures dust-free working, while its low operating noise of just 56 dB(A) also allows for use in noise-sensitive areas. The main sweeper roller on the carpet sweeper can be precisely adjusted to the type of carpet in question. This reduces wear on the rollers, effectively prevents damage to the carpet, and makes it possible to clean almost every kind of carpet. A battery and battery charger are included onboard as standard, as well as a side brush for cleaning corners and edges together with large wheels for easy transport.

1 36/75 Power+ Battery

- Easily note remaining battery capacity
- Productive and efficient use of the machine
- Possibility to run several machines on the same battery platform

2 Fast charger Battery Power+

- Machine can be used on multiple shifts during the day

3 Storage space for a second battery inside of the machine

- No loss of time for charging battery or getting another one

4 Quiet operation of the machine

- Day cleaning is easy
- Health protection of the operator and the environment

5 Efficient two-step filter system

- Continuous low-dust sweeping for long periods of uninterrupted use
- Less replacement costs of the HEPA filter

6 HEPA main filter

- Healthy operation for the user and their environment

7 Optimized sweeping system for different flooring types

- High productivity
- Big carpet surfaces can be cleaned efficiently in short time

8 Easy main brush adjustment with LED signal

- Excellent sweeping result
- Less replacement costs
- No damage of carpets

9 Side brush

- Efficient cleaning without using other machines

Technical data and equipment.

CVS 65/1 BP

TECHNICAL SPECIFICATIONS

Area performance	19,375 ft ² /h
Working width	18 in
Working width with 1 SB	26 in
Waste container	5 gal
Filter area	3.1 f ²
Runtime with one battery charge	60 min
Charging time (100%)	81 min
Battery Voltage	36 V
Capacity	7.5 Ah
Sound power level	56 dBA
Weight	88 lbs
Dimensions (L x W x H)	30" x 26.5" x 21"

Order No.	Description
1.517-302.0	CVS 65/1 Bp Pack

Accessories

Order No.	Description
2.445-075.0	Battery Power+ 36 V
2.445-053.0	Fast Charger Battery Power+ 36 V
2.886-002.0	Main broom antistatic
2.884-355.0	Side brush standard
6.907-449.0	Fine dust filter
5.745-280.0	Pre-filter
5.032-196.0	Homebase bag
2.884-358.0	Set of 10 disposal bags
