Big Thunder Advanced Formula is an effective economical general purpose detergent for use with pressure washers. Use for cleaning or degreasing farm, industrial, truck-auto, mine, oil field, and food and beverage equipment. Works well for building cleaning and soft wash applications. Excels on exterior walls, decks, driveways, gutters and roofs.

Highly concentrated, can be used at dilutions with up to 300 parts water. Works great on stainless steel, glass, oxidized paint and polished aluminum. Works well in cold water and even better with hot water. May also be used as a pre-soak or pre-spray in more demanding areas. Lower foaming for fast and efficient cleaning. Quick and free rinsing.

Can be used at point of use with bleach / sodium hypochlorite, detergent color may fade in time.
