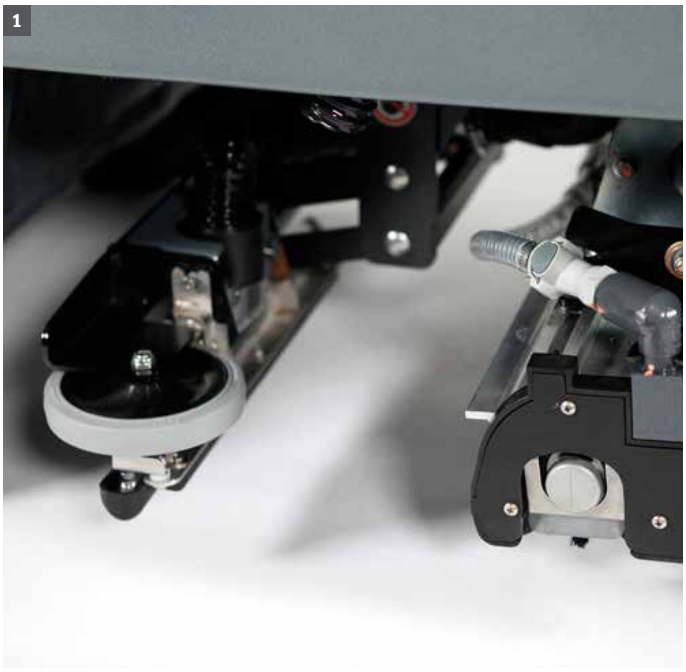
EASY AND PRODUCTIVE EXTRACTION.

The only stand-on interim and deep extraction machine.

The answer for extraction and interim productivity.

When you need extraction and interim cleaning productivity for large areas of soft floor, the Chariot™ 3 iExtract 26 DUO is the answer. Developed from our years of experience as the innovators of the stand-on cleaning segment, this machine brings our interim and extraction cleaning technology to our third generation Chariot™ platform. No other manufacturer comes close to the depth of our line of stand-on cleaning machines. Everything you need to quickly and efficiently clean your carpets is available on this extractor including optional off-aisle attachments for productivity, a reliable gravity-fed solution system and powerful dual-vac motors for maximum water pickup.



1 Productivity

- Dual vacuum motors means more dirt and grime are removed from the carpet
- Dual floating counter-rotating brushes remove more soil from the carpet in one pass
- On-board charger available with AGM or wet-cell batteries
- Lithium battery has a very long life, and comes with a 5-year unlimited cycle life warranty. Battery can be opportunity charged without affecting the battery's life.
- Simple no tool removal of brushes and vacuum shoes for ease of daily maintenance
- Optional battery exchange package increases productivity and decreases down-time
- Optional off-aisle attachment for even greater productivity, allowing you to perform detail work and cover large areas with the same machine.
- Fits easily through a standard door and into any elevator
- Auto-adjust dual vac shoes allow for maximum water pickup while still accommodating threshold crossings

2 DUO interim and deep extraction cleaning technology

- DUO cleaning technology provides productive interim and deep extraction cleaning in one machine
- Carpets cleaned with interim encapsulating chemical are ready for traffic in approximately 20 minutes
- Interim cleaning process extends the time between scheduled deep extractions saving you time and money
- EcoMode optimizes productivity by lengthening run times between recharging and refilling

3 Cost savings

- Reduce labor cost due to our productive stand-on design allowing you to get more done with the same size staff
- Get a quick return on your investment with prices comparable to similar sized extractors
- Gravity-fed solution system for lower maintenance and operating cost
- Hygienic and durable tank-in-tank design
- Quiet operation allows for daytime cleaning
