

VAPOR CORROSION INHIBITOR

Vapor Corrosion Inhibitor (VCI) is especially effective in inhibiting rust in automatic parts washers. VCI contains a superior blend of corrosion inhibitors that give outstanding protection in both the liquid and vapor phase. This prevents corrosion in automatic parts washers and on the metal parts being cleaned.

DILUTION RATIO

Use dilution needed to achieve optimal cleaning will vary based on soil type, level of soil, and method of application. Water quality can also impact the amount of detergent required. Using hot water allows for a reduced level of detergent use.

- 10 oz per 25 gallons

COMPETITIVELY PRICED

- Excellent value, cost per gallon

SHELF LIFE

- 3 Years

HIGH-QUALITY DETERGENTS

- Designed for high temperature cleaning

CONTINUOUS CLEAN ADDITIVE

- Helps prevent hard water and soap build-up
- Contains rust and corrosion inhibitors

SAFETY APPROVALS & REGISTRATION

- OSHA/WHMIS/GHS-Compliant
- Kosher Approved

SHIPPING

- Not regulated for transport

CAUTION

- Wear appropriate personal protective equipment

Product Information

Part No.	Size / Description	Ship Wt (lbs)
8.760-111.0	Landa VCI, 4 x 1 gal	34
8.760-112.0	Landa VCI, 5 gal	43
8.760-113.0	Landa VCI, 55 gal	470

Parts washers are an essential piece of equipment in the commercial and industrial manufacturing industry. They remove grit, oil and abrasive dust that may be left over from manufacturing which threatens the integrity of any coating or further treatment. Utilization of an automatic parts washer will save time, money and manpower as well as ensure the excellence of the finished product.

WHY CHOOSE LANDA APW DETERGENTS?

Landa automatic parts washer detergents contain advanced formulas engineered specifically for use in aqueous parts washers and their specialized needs. Our advanced formulas include an exclusive multi-metal corrosion inhibitor for rust-protection of all wetted surfaces.

Safety & Certifications

OSHA/WHMIS/ GHS Compliant

Infotrac Listed

Kosher Certified

OSHA/WHMIS/GHS-Compliant SDS available, listed with Infotrac.
For emergency spills call 1-800-535-5053, International 1-352-323-3500.

Technical Data

Color: Clear

Scent: Solvent

Foaming Action: None

Reaction in Hard Water (TDS): Good

pH: 10.5

Dilution Ratio: 10 oz per 25 gallons

APPLICATIONS

- Soak Tanks
- Rinse Water
- Ultrasonic Cleaning
- Recycle Systems
- Automatic Parts Washers
