DETERGENT

Hotsy
LIQUID INFERNO
Advanced Formula

PRESSURE WASHERS / SINCE 1970

FOAMING ACTION:
Medium-Low

pH: 13.1

COLOR: Yellow

SCENT: No added fragrance

REACTION IN HARD WATER (TDS): Good

DILUTION RATIO:
Light Soil 1:60 to 1:80
Moderate Soil 1:40 to 1:60
Heavy Soil 1:20 to 1:40

Use dilution needed to achieve optimal cleaning will vary based on soil type, level of soil, and method of application. Water quality can also impact the amount of detergent required. Using hot water allows for a reduced level of detergent use.

Competitively Priced
- Excellent value and cost per gallon

High-quality Detergents
- Designed for high temperature cleaning
- Formulated specifically for pressure washer use
- Powerful alkaline (caustic) based cleaner

Excellent Service
- Service Centers Across North America
- Expert chemist support

Hotsy Continuous Clean Additive (HCC)
- Helps prevent hard water and soap build-up
- Contains rust and corrosion inhibitors

Safety Approvals & Registration
- OSHA/WHMIS Compliant
- Infotrac listed
- Kosher certified

Shelf Life
- 3 Years
- Freeze-thaw stable

Shipping
- Hazardous for transport. Finished concentrate: UN1760 Corrosive Liquids, n.o.s.

Caution
- Wear appropriate personal protective equipment

RECOMMENDED USES
- Heavy equipment and machinery
- Oil field equipment
- Unpainted surfaces
- Food and crop processing equipment
- Engine cleaning
- Rendering facilities
- Heavy construction
- Burnt on grease and grime
- Carbonized soils

NOT for use on galvanized metals, aluminum, magnesium, or other soft metals. NOT for use on cars or trucks due to its possible dulling effect on these surfaces. Contains water-softening agents, builders and corrosion inhibitors.

Liquid Inferno Advanced Formula is a seriously powerful alkaline degreaser and heavy duty cleaner. Double the alkalinity (caustic) and cleaning power compared to most competitive products and more than many of our historical alkaline degreasers. For use in situations that demand alkalinity paired with a unique powerful cleaning formulation.

Liquid Inferno is recommended for cleaning engines, heavy equipment, carbonized soils, heavy grease and related situations. Formulated to address aggressive or carbonized dirt and grease where others do not.

Hotsy detergents are available in a variety of sizes. Ask your dealer about our convenient options and about our bulk supply program, where Hotsy detergents can be supplied on regular basis to meet your needs.The Hotsy bulk detergent program is available at participating dealers.
