

KÄRCHER

THE NEXT GEN CHARIOT™ VACUUM IS BUILT FOR ALL.

The Chariot™ CV 60/1 Deluxe is an agile, intuitive vacuum with improved performance, productivity and overall operator experience.

PROFESSIONAL | CHARIOT™ CV 60/1 DELUXE

Intuitive, agile and seamless to operate.

The Chariot™ CV 60/1 Deluxe stand-on vacuum is our next generation Chariot™ 2 iVac 24 ATV. Specifically designed with the user in mind, this vacuum delivers seamless operation and comfort while also greatly improving performance and productivity. HEPA-rated vacuum bags offer optimal health protection for users. Also featuring our new Comfort Ride System to address operator fatigue. An implemented brush cartridge offers dual counter-rotating brushes to deliver superb accuracy and increase debris capture. The dynamic speed control dial provides programmable user specific speeds to adapt to any situation. In conjunction with the re-engineered drive motor allowing flawless operation on ramps and padded carpets, this Chariot™ is a linchpin in any floor care equipment fleet.

1 Comfort Ride System

- Anti-fatigue operator platform actively adjusts to weight shifts and balance.
- Operator position shifted to provide improved sight lines and maneuverability.
- Embedded Safety Operational Switch.

2 LCD Easy Dial Control Panel

- Technology designed with everyday use in mind for fast learning.
- Intuitive operation with clear communications.
- Durable membrane panel for cleaning mode selection provides longer life.

3 Dual Brush Cartridge and Side Broom

- Dual counter-rotating brushes for superb performance.
- Universal brush for soft floor and hard floor applications.
- Side broom allows edge cleaning and eliminates secondary operations.

4 Lithium ION Battery Option

- Longer run times and faster charging speed.
- Integral Battery Management system (BMS)

Technical data and equipment.
