

EHW

All-Electric Hot Water Pressure Washer

- Up to 4.2 GPM;
Up to 3000 PSI
- Stainless Steel Coil
- No Open Flame or Combustible Fuel
- Belt-Drive Pump with 7-Year Warranty

- Control the EHW from up to 300 ft. away with the **LanCom Wireless Remote** option. Saves time with the ability to control the EHW while on a ladder or scaffolding. Two versions available for controlling the pump and 1-Step or 2-Step detergent application.
- 7-Day **Timer** automatically turns the heating elements on and off to conserve energy and meet your cleaning schedule.
- The **Time Delay Shutdown** function automatically turns the unit off if the gun is left in shutoff mode. Operator can adjust delay from 2 to 10 minutes.
- Nine high-efficiency **Heating Elements** (40.5 KW) are protected by an incoloy alloy sheath and do not come in contact with the pressurized water, resulting in reduced scale buildup, lower maintenance, and extended life.
- Industrial-duty **Magnetic Motor Starter** for long life of motor.
- 50 ft. of double-wire braid **High Pressure Hose** rated for up to 6000 PSI and with 24-inch **Hose Guard** for burst protection and swivel **Crimp Fitting** for tangle-free handling of hose and trigger gun.
- Helpful **Tri-Lingual** Labels with operating instructions in English, Spanish and French for operator convenience and owner protection.
- Motor and pump are mounted on a **Power Platform** with four vibration isolators to minimize fatigue and stress on the frame.
- Heavy-duty **Upper Cabinet** is made of stainless steel, including base plate and easy-to-remove cover; **Lower Cabinet** is made of steel protected by an epoxy powder coat finish.
- Safety **Low-Water Flow Switch** protects heating elements from burn out due to lack of water.
- Water is heated in a **Stainless Steel Coil** submerged in a tank of hot water solution for efficient heat transfer and instant hot water with the pull of the trigger; a **Layer of Oil** rests on the surface of the tank water solution for additional retention of heat and to prevent evaporation.
- Industrial-strength **Motor** and cast-iron, bushing **Pulleys** use a convenient 2-bolt pulley adjustment for easy maintenance and longer life; 2 notched "V" cogged belts, which operate cooler, connect the motor to the rugged **High-Pressure Pump** with three ceramic plungers and forged brass head with 7-year warranty.
- Easy-to-attach **Detergent Injector** for easy application of soap.
- Four quick-coupler **Nozzles** are made of hardened stainless steel and mounted for ready access.

WHY CHOOSE THE EHW?

The perfect choice for in-plant cleaning, this series couldn't be easier to operate – just plug it in and get hot water! The lack of combustible fuels or hazardous fumes makes it safe to store in processing facilities under the stairs or in a closet. It's also ideal for mining and drilling operations where an open flame for heating is prohibited. The heating coil is uniquely designed for immersion in a tank of hot water for reduced maintenance needs, and a layer of oil floating atop the water assists in heat retention and prevents evaporation. The EHW is enclosed in a stainless steel cabinet and mounted on a platform, and can be fitted with our LanCom wireless remote system, time delay shutdown, and other labor saving options. Generating no fumes or noise, and easy to store, you'll wonder why you didn't choose this unit for your indoor cleaning needs ages ago!

SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

If you're cleaning long hours at a time, the EASY!Force trigger gun is an ideal and innovative solution to alleviate user fatigue. It's designed to use its own recoil force to hold the trigger down, which means you won't have sore hands after hours of use.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect the high-pressure hose from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.

DETERGENT FOR EVERY JOB

Landa innovative detergent lineup makes your cleaning job easier and faster. Phosphate-free to meet the most stringent environmental demands without sacrificing cleaning effectiveness. We'll match you with a product designed for your specific application.
