Duct Boss is specifically designed to remove the dangerous build-up of grease in exhaust hoods of food cooking establishments. Through a hot water pressure washer, fast effective removal restores hood and ducts to a clean, safe result. Duct Boss can be used to pressure wash foodservice grills, fryers, broilers and ovens as well. Routine cleaning is required in most cities and states, as well as the insurance industry. Duct Boss is available in three convenient sizes, including a 2.5 gallon container.

Nonfood Compounds (A2)
