

KÄRCHER

**CONVENIENT,
QUIET AND
DEPENDABLE.**

Cold water wall mounted direct-drive pressure washers.

PROFESSIONAL | HD WALL MOUNTED

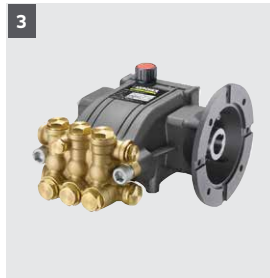

HD Wall Mounted

Convenient and quiet.

Kärcher's wall-mount unit has a durable steel frame, uses a quiet 1725 RPM motor, and is perfect for in-shop uses. A remote on/off switch with a 10' electrical cord allows the machine to be mounted high on a wall away from backspray. ETL certified to UL and CSA safety standards.

1 Convenient features

- Accepts hot water up to 180 degrees
- Instant startup quickly with a simple flip of a switch, no need to pull a recoil starter or deal with priming the pump
- Mountable remote on/off switch removes the hassle of walking back and forth to start and stop your pressure washer and keeps your machine away from the wash area, protecting it from the splashing of corrosive materials, adding to the life of your pressure washer

2 Optional wall mount bracket

- Mount to wall to centralize cleaning
- Free up valuable floor space in your garage, workshop, or storage area by wall mounting and it's always available and ready to use

3 Kärcher Triplex crankcase pump

- High-Pressure Pump with 7-year warranty engineered for long life and reliable operation
