

# BATTERY OPERATED RIDE-ON SCRUBBER FOR LARGE AREAS.

Suited for large cleaning applications.

### Highly reliable and compact ride-on scrubber.

The ride-on B 75/110 R Bp scrubber is the most updated and compact scrubber in our product line-up. With outstanding suction performance including an all-new aluminum, die cast squeegee, you'll have less moisture left behind. Big bumper wheels on the brandnew die cast brush head will help keep corners and walls free of unwanted marks. This also means easier maintenance and operation. With speed-dependent water supply, you'll save water and detergents for when you need them most.

- 1 All-new features
- Front bumper and driving lights
- Hill driving assistant
- Automatic electronic brake
- 2 Simple to operate and easy to maintain
- Everything is controlled by one easy-to-use panel
- Cylindrical brushes save water and detergent.
- The brush heads are easy to replace and do not require tools

- 3 Long operation time and comfort for users
- Large battery capacity
- Adjustable comfort seat for more comfortable long shifts
