# HOT WATER GENERATOR

## WHY CHOOSE THE HOT WATER GENERATOR

Compact, portable hot water generators add hot water cleaning economically. Durable and reliable design for attaching to a cold water pressure washer. Our Hot Water Generator Series water heaters provide supplemental heat to cold water machines, giving users the benefit of hot water cleaning when it's needed and the convenience of the portable cold water washer. Effectively heats water at a rate of up to 5 gallons per minute.

## SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

If you're cleaning long hours at a time, the EASY!Force trigger gun is an ideal and innovative solution to alleviate user fatigue. It's designed to use its own recoil force to hold the trigger down, which means you won't have sore hands after hours of use.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect the high-pressure hose from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.
