

MHC

HOT WATER

DIESEL-HEATED

GAS-POWERED

Self-Contained, Gasoline-Powered, Diesel-Heated Hot Water Pressure Washer

- 3.5 Max. GPM
- 3500 Max. PSI
- Heavy-Duty Honda or Vanguard Engine
- Belt or Direct Drive Pump
- Engine-Regulator Combo
- 12V DC Burner
- 10 Gallon Fuel Tank
- 52"L x 29"W x 45"H

- Easy-reach **control panel** has adjustable thermostat, hour meter, and tachometer with digital display that flashes a reminder when maintenance is due.
- Three **quick-couple nozzles** are made of hardened stainless steel and mounted for ready access.
- Industrial-duty **Honda or Vanguard engine** with overhead valves and easy-access oil drain line, is mounted on vibration Isolators for less wear and longer life.
- 50 ft. of steel-wire braid **high pressure hose** with 24-inch guard for burst protection.
- Safety features including a **rupture disk** and **thermal pump protector** to prevent buildup of excess pressure or heat.
- Options include **caster wheels** for extra mobility in tight work areas and float tank with inlet detergent metering valve.
- Top-of-the-line **12V DC burner** uses new high-tech engineering for better fuel efficiency and lower maintenance.
- Industrial-grade, tri-plex high-pressure **direct- or belt-drive pump**, has a forged brass head and a seven-year limited warranty.
- Easy-to-attach **detergent injector** for applying soap while washing simply by twisting the handle on the wand.
- Helpful trilingual labels with operating instructions in **English, Spanish and French** for owner and operator protection.
- Unique **lift-out design** allows for easy and quick coil access.
- Rust-free, **10-gallon fuel tank** with elevated fuel line to prevent dirt and debris from reaching burner.
- Rugged 1/4" square tube **steel chassis** protected with weather-resistant epoxy powder coat finish.
- Durable polyurethane **battery box** on electric start models slides out for easy access.
- 13-inch **flat free tires** for easy maneuvering on any terrain.

WHY CHOOSE THE MHC?

With a rugged frame, stainless steel top wrap, and 13" flat-free tires, the MHC is both durable and portable, and easy to maneuver over flat surfaces and around corridors and hallways. The control panel is strategically located, allowing you to easily adjust the thermostat and hour meter depending on your needs. A technologically advanced engine-and-regulator combination eliminates the need for a battery or electrical connection, making it a convenient and versatile on-site choice for keeping your restaurant, resort, spa, or hotel clean and inviting!

SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect high-pressure hoses from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.

LANDA®

Note: Landa is constantly improving and updating its products. Consequently, pictures, features, and specifications in this brochure may differ slightly from current models. Flow rates and pressure ratings may vary due to variances allowed by manufacturers of our machine components. Landa product performance is certified by the Cleaning Equipment Trade Association (CETA) to be within 5% of listed specifications.

DETERGENT FOR EVERY JOB

Landa's innovative detergent lineup makes your cleaning job easier and faster. Phosphate-free to meet the most stringent environmental demands without sacrificing cleaning effectiveness. We'll match you with a product designed for your specific application.
